

# WELCOME TO FLFA CUTTER NATION

## PARKING

There is very limited parking at 1 Hemlock Ave (unless Handicapped). We do not recommend that you park at the bowling alley. Your car will be towed by Bowlero. We strongly suggest parking at Dobrow Sports Complex on Harristown Road, Fair Lawn, NJ. You will find a path that leads directly to the Main Gate for spectators. Athletes and coaches will enter from a separate entrance.

## MUST HAVES FOR SPECTATORS:

- *a face mask (that you must wear at all times while on our field)*
- *your wristband for entry on to our field for this game*
- *at the main gate, you will have your temperature checked and hands spritzed with sanitizer before you are permitted on the field. (Entrance & Exit are 1 way)*

**Home & Away fans will watch from  
the same side of the field.  
So play nice! Please & Thank You!**

## INFORMATION FOR ATHLETES + COACHES:

### Wristbands:

Every member of your team, including coaches, should have received 2 wristbands specially marked for this game. Please make sure your 2 guests are wearing their wristband. This is the only way he/she will gain entry on to our field to watch the game. Unfortunately, no extra wristbands are available. This is so that we can meet State and CDC guidelines. Thank you for your cooperation.

Please ensure that every member of your team (all athletes and staff) have a face mask or neck gaiter for the sideline, team huddles, and half time. They are not necessary while playing or performing.

Please socially distance whenever possible.

## CHEER + FOOTBALL COACHES:

We suggest parking at the field on Harristown Road. You and your team will be meeting and warming up on Garger Field, which can be more easily accessed from that parking lot. The game will be played at Vander Plaat Field. A special entrance will be set up for you and your athletes to have everyone's temperature checked, hands spritzed with sanitizer and reminded of safety protocols put in place. You, your staff, and team will exit out the 1 way exit, across the field.

Before leaving, please make sure your area is clean of trash. There are time constraints and we appreciate your help. We will be sure to return the favor. Thank you for your cooperation!

Good Luck!

## CHEERLEADERS

Due to the limited space and our joint efforts to socially distance and keep everyone safe, please have your cheerleaders begin standing at the 20 yard line and line up towards the end zone.

This area will just be for you and your cheerleaders.

Please make sure that masks are worn when not cheering and please social distance as much as possible.

Due to strict time constraints, we ask that you please have your Head Coach find our Head Coach to talk about the "Hello Cheer".

THANK YOU!!
